Medfield High School

A Street kids Guide
(How to get from here to there)

It's hard to get from here to there
If you never get out of bed.
You lie a lot to fool your friends
But you fooled yourself instead.

It's harder to get from here to there
If you set your goals too high;
Then nothing ever works out right;
Too soon, you no longer try.

But the hardest way to get from here to there
Is when all you ever do
Is count up the years and miles to go.
Then you're through before you're through.

So how do you get from here to there?
Well, you first must believe you can
Let no one tell you differently-It's your life and it's in your hands.

Then turn your dreams into your goals
And see what you need now
To satisfy the requirements:
The why, the where and how.

A first you're overcome, of course;
There is so much you don't know.
But keep your faith, be strong and sure,
For you do have a way to go.

Take careful steps and do them right,
Take pride in each thing done.
Don't look too far ahead of yourself,
just that next step yet to come.

Before you know it you'll be there, friend,
Your dream will then be real.
And you'll be standing where I am now,
Telling others how good it feels.

You'll tell them not to quit themselves,
To have faith, though it's hard to bear.
So they will know it can be done-
They, too, can get from here to there.

Class of

We've come a long way through twelve years of school together as a family . . . developed mind, body, and most of all, who we are. The road is long and winding, leading us in many different directions and bringing us to new goals, and opportunities. May we, the senior class of 1999, always remember who our true friends are, and create a future that will show our true identity . . . Congratulations Grad's!

The Best Years Of Our Life

The anticipated end has finally arrived. A chapter in our lives is coming to a close. We as seniors have grown and have had many new experiences during our four years here at MHS. We have learned, held together, and proved who we can be. Growing from the anxiety of freshman year to the superiority of being a senior; we have done it! Although next year we will head toward new places we will always treasure the memories of Medfield High School. Good Luck and Best Wishes to all our classmates.

LET'S DANCE!! Ah . . . . memories. We all started together on our road to becoming upperclassmen with our Freshmen and Sophomore year. Silver bells rang loud and clear when the Holiday Dance came around in December. Who could forget the snowstorm that sprinkled outside the cafeteria windows during our Sophomore year while we all danced with our dates? As May rolled around, we stood by envious as the Juniors and Seniors went off to the prom.

At last, we were Juniors. This elated feeling soon vanished as we were confronted with PILES of work to do. Yet, despite the stress, we threw our books aside to kick up our heels. Then came the moment we had been waiting for - the PROM! Girls and guys spent a lot of time, effort, and money in planning a perfect evening. We decked ourselves out in elegant attire and made our way to the hotel. It was a night to remember with great camaraderie and a great deal of fun. Who could forget the crowd circles and especially the last dance. Those are some of the cherished recollections that we will take away from MHS. Thank you Class of 1999 for the memories!

The Year Was . . .

The Year Was 1999 and senior year couldn't have come any quicker. Through the good times and the bad, the graduating class of 1999 stuck with it. Winning the Penny Wars both freshmen and senior year, we quickly established ourselves as an elite grade. The year was 1999, "so save the best for last!"

The Year Was 1999 and everyone is having fun. With the senior picnic, slideshow, and cruise, it was inevitable that it was going to be a great year. Every day of classes, more and more memories were made. 1999 was an amazing year for the seniors of Medfield High School.

Medfield Football had a good season, ending with a total of 4 wins to 6 losses. The addition of Kevin Kriston, one of the best running backs in the Tri-Valley, helped the team greatly. The more experienced J.P. Hernandez had an outstanding season as quarterback. "The 14 to 15 loss to Medway was the turning point in the season because it really damaged our self-esteem as a team." -Brian Wilson.

This year the boy's varsity soccer team was led by co-captains Matt Monahan and John McKeever, and coached by Ross Irwin. Unfortunately, their season's record did not show success; however, their play developed throughout the season. John McKeever feels that, "Our record does not show how good we really are." When asked what the team's greatest achievement was, Coach Irwin responded with, "Our battles with Medway." The Medway boy's team finished their season with the division three state championship title. During the regular season, our boy's lost to Medway 2-1, in Medfield, and tied them 1-1, at Medway. Coach said, "When we put our minds to it we did the best, and the Medway games prove that."

Girls cross-country had a very successful season this fall with their biggest team ever. They were lead by team captains Lindsey Bauer, Kimberly Zaia, and Amanda Surette and coaches Mr. Kraemer and Mr. Shea. They held a dual meet record of 5-1, and 4-1 in the TVL. The team finished second in the league for dual meets, and placed second at the TVL meet with 51 points. At the Class D meet the girls missed qualifying for the state meet by one point, earning 220 points and placing 6th. The varsity team of Lindsey Bauer, Amy Bauer, Lauren Burchill, Kate Clausen, Michelle Priante, Amanda Surette, and Kim Zaia qualified for the Class D meet.

The team also had some individual accomplishments. Kim Zaia had an uncontested season, placing first in every dual meet and the TVL meet. Kim also came in second in the Class D meet, and was the only Medfield qualifier for the state meet. League All-stars were Lindsey Bauer, Amy Bauer, and Kim Zaia. The cross country has much to look forward to next year, as the top six runners will be returning.

Girls Volleyball

The girls volleyball team has an immensely successful season this year, winning at the state finals. After a shaky start to the season, the girls came back strong in the end. The team had lost to Turners Falls and Bourne during the regular season but Medfield shined on, defeating them in the semifinals and finals of the state tournament. The team had not lost many players from the previous season and had been able to take that last step that was not achieved last year. Led by captains Hillary Dunn, Quyen Le, and Shannon Pao, the year was highlighted by outstanding play from the entire team.
